		Maintenance for everyone	Francia Municipality	Children, Youth and Culture	Kia Skovbo Ethers
		Maintenance as a driver of knowledge	Fraserlihusen Municipality	Centre for School, Club and Youth Schools	Lise Jørgensen
		Evaluation of climate education	Branderslev Municipality	Specialized Management of Children and Culture	Thomas Torveg Andersen
		Maintenance - learning/information in education	Mørsk Municipality		Anne-Gerthe Nielsen
		CMVU Lyngby - Village	Engerth - The Future		John Døvlund
		Engineering Day 2023 Additional Grant	Alta		Gitte Wolff Andreassen
		Big Bang conference 2023-25	Frønsø of the School		Mikkel Steinhilber
Volunteers support Østernæs villages in the Danish public school	Frønsø of the School	Applied Science in Pedagogy and Society	Tone Lysegård		
StatoxAcademy: interdisciplinary education for climate action in laboratories at vocational educational schools	University of Copenhagen	Global Institute	Mikael Schrader		
A Cleaner Climate - Teaching nature-based climate solutions	University of Copenhagen	CONCTO Climate Embassy	Kristine Skovenskov		
Climate learning packages for teachers - funded in recent and actual climate science and solutions	CONCTO	CONCTO Climate Embassy	Syrene Kjeldgaard		
Interdisciplinary and problem-oriented science teaching: engineers and motivators of climate action	Aarhus U and UVC		John Døvlund		
ØPMVU Lyngby - an educational experience based on dilemmas	Moral Municipality	Information Society of Democracy in Europe, DEO	John Døvlund		
The Climate System - an educational experience based on dilemmas	Centre for Applied Technology (IT Education)		Kasper Sømling Skotte		
Climate Bill-to-go	Fraserlihusen Utility Services		Ellie Stepping		
The VC teacher saves the climate	Centre for Applied Technology (IT Education)		Kasper Sømling Skotte		
Climate Smart - Sustainable Construction as cross disciplinary theme in climate education in vocational education	Centre for Vocational Education Lolland Falster (CELF)	Project Secretariat	Kristine Zeebren Jørgensen		
Sustainability integrated in the curriculum for upper secondary education	Midtjylland Employment and HR		Christine Laur		
Green Smith	UCLH - Educational Centre Ringelberg Skjern		Louise Virginia Hansen		
Competence and experience based Education for Sustainable Development	UVA University College	Research Centre for Innovation and Entrepreneurship	Jeppe Graf Christensen		
Climate conflict	Konkretat		Søren Guldumbush		
ClimateChallenge TECO	Gitte 21		Lise Ege		
Action Climate - Flexible student-oriented teaching resource for secondary school	Gitte 21		Nicolai Sevd		
Digital Climate Education Tools	The Climate Box		Anders Eken		
Caregivers for Sustainability	NEXT Education Copenhagen	NEXT Bag	Maja Anders Worm		
The Climate Alliance of Danish High Schools	Denmarks Gymnasium og Seminarier		John Døvlund		
Maintenance - Learning	Lerning Municipality	Centre for Learning	Martin Fjellgaard Meld		
Engineering in High school	Engerth The Future		Gitte Wolff Andreassen		
Climate education in vocational schools - networking activities to share ideas and create development	Denmark Vocational Schools and High Schools		Nina Glav
